To Whom It May Concern:

It is my pleasure to recommend Mr. Sebastian Reed to you. I verify his faithfulness and longevity of involvement here at IGO Family Church as he describes below.

I have been attending IGO Family Church (www.igochurch.com) since 2007 serving in the children's church in preschool and K – 2nd grade as an assistant while my mom taught class, and also I served in the usher ministry. I have always been absolutely at home at IGO.

I appreciate your consideration of Sebastian to your team!

To Whom It May Concern:

I am pleased to recommend Sebastian Reed who was a student in my sophomore world history class, for consideration into your program. Throughout the year, I have come to know him as a strong student and a role model for his peers.

Sebastian is a rare type of student who combines exceptional natural ability with a willingness and eagerness to learn. Sebastian is also willing to assist those in class who may need extra help or explanations for unfamiliar concepts or events. Although he is aware of his natural ability in the area of social studies, Sebastian constantly challenged himself in other classes. He performed well in my class and is diligent and honorable. He is also a strong friend to his peers and is well-liked and admired by them as well.

He wishes to pursue a degree at your university, and I believe that his work ethic and organizational skills will help him achieve his goal. Sebastian has been a wonderful addition to the student body at Lakeside High School and I will miss him when he advances to the 11th grade and excels in U.S. history.

I believe that Sebastian would make an excellent addition to your student body as well as a strong member of your team. I recommend him without hesitation. Should you have any questions, please feel free to contact me.

Sincerely,

Dear Admissions Committee,

It is my great pleasure to write a letter of recommendation for Sebastian. I have known Sebastian for 2 years and was delighted to serve as both his varsity basketball coach and Health and PE teacher at Lakeside High School. During that time, I watched Sebastian grow into an outstanding individual who excels in both his academic and personal pursuits. He is a tremendous athlete, teammate and student. Sebastian has excelled in athletics and academics during his time at Lakeside.

As Sebastian teacher and coach, I witnessed his extraordinary ability to quickly understand advanced concepts and then adeptly apply them to real world situations firsthand. Sebastian displayed flexibility, Leadership, and compassion this year as he managed a virtual school year due to the Covid 19 crisis, excelling in basketball, and as a student. Sebastian has a tremendous work ethic and is extremely organized and manages his time efficiently. Sebastian academic accomplishments are rivaled only by his personal strengths. His compassion and charisma are beyond his years, and he is well-loved by his peers, as well as all those who had the pleasure of teaching him. Whenever any of his fellow students are having a difficult time or feeling down, he never fails to step in with an encouraging word and a smile.

I highly recommend Sebastian Reed. I am confident he will make an excellent addition to any university. Please feel free to contact me if you have any questions regarding his character or past academic work.

Sincerely,

Jamal Basit

To Whom It May Concern:

I am writing this letter to recommend Sebastian Z. Reed for consideration for your program. I have known Sebastian for several years and have seen his growth as a young man and a basketball player. He possesses an incredible level of character and maturity for his age group. He is dependable and very reliable and can always be trusted to complete any task as required. He not only is an accomplished basketball player but a very bright student that accomplishes his tasks in an efficient and diligent manner. His upside potential is limitless in all areas of endeavor. It is rare in this day and time to write this about any young man but Sebastian has an incredibly strong and disciplined family unit that has nurtured him in a very admirable manner. He is, in short, a very high quality young man and would be an asset to any organization he is a part of. Sebastian receives my highest recommendation.

Sincerely,
